[Flushing], [NY], [February 10, 2016]- The YWCA of Queens is thrilled to announce Katherine Hae Myung Kim, MSW as the organization's new Executive Director! Ms. Kim brings 20 years of non-profit experience in the New York community in the areas of hunger relief, workforce development and community engagement.

Please join us on Tuesday, February 23, 2016 at 11:30am at the YWCA for our inaugural event to welcome Ms. Kim to the YWCA Family.

The Board of Directors recognizes Ms. Kim's leadership and eagerly anticipates the work that she will spearhead as we continue our key services, while strategically planning for the implementation of additional programs.

ABOUT

Since the YWCA of Queens was founded in 1978, by nine immigrant women advocating the bold mission of "eliminating racism, empowering women," the organization has grown to serve nearly 4,000 families annually through its multi-generational and cross-cultural services. With our overarching goal to promote peace, justice, freedom, and dignity, we are able to stand as a beacon in the communities where we serve and offer integral services to encourage educational, economic and personal well-being.
