Address of Welcome

Dear family and friends,

We are so grateful for your commitment to and support of the YWCA of Queens. You are the reason why we have been able to serve our community for 45 years and we want to celebrate this milestone with you.

Our 45th Anniversary Gala is themed “Changing Lives, Building Dreams.”

This reflects our vision and mission to eliminate racism and empowering women through education, social services and advocacy. We believe that everyone deserves a chance to pursue their dreams and achieve their full potential.

During the pandemic, we witnessed the resilience and generosity of our community. Our Food Pantry and Love Sharing Box provided food and essentials to thousands of families in need, thanks to your donations and volunteerism. We also adapted our programs to online platforms to continue offering ESOL, HSE, Job readiness and senior activities to our participants.

As we look forward to a post-Covid era, we are excited to have resumed our in-person programs and to expand our offerings to meet the emerging needs of our community. We hope to empower more people with the skills, knowledge and confidence they need to change their lives and build their dreams.

We invite you to join us at our 45th Anniversary Gala to celebrate our achievements, honor our supporters and inspire a brighter future. Thank you for being part of the YWCA of Queens family. We appreciate your love and support.

Dear Friends.

It is my honor to welcome you to this year's gala celebrating the 45th anniversary of the YWCA of Queens and the organization's work on behalf of the women, immigrants and families who rely on the invaluable services they provide in our communities.

For four-and-a-half decades, the YWCA of Queens has been contributing to the success of our immigrant communities through its English and civics classes, expert case management services, and social and educational activities for seniors. Its mobile food pantry has put food on the table in countless households struggling with food insecurity.

Meanwhile, the YWCA's High School Equivalency (HSE) program helps students achieve their educational goals and ambitions. The theme of this year's gala, "45 Years of Changing Lives, Building Dreams," celebrates that commitment with a pledge to award a \$1,000 scholarship to any student graduating from the HSE program who applies to a college or university to further their education.

I want to thank YWCA president Christine Choi, executive director Eun Kyung Kim, and all of the YWCA staff and volunteers for their tireless work toward the betterment of our community, and I wish them many more years of continued success.
